In re Patent No. 7,000,739	:	
Issued: February 21, 2006	:	
Application No. 10/670,895	:	DECISION ON PETITION
Filed: September 24, 2003	:	
Attorney Docket No. 141620.00002	:	

This is a decision on the petition under 37 CFR 1.378(c), filed January 12, 2011, to accept the delayed payment of a maintenance fee for the above-identified patent.

The petition is **GRANTED**.

This patent expired on February 22, 2010 for failure to pay the three and one-half year maintenance fee. Since this petition was submitted within twenty-four months after the six-month grace period provided in 37 CFR 1.362(e), the petition was timely filed under the provisions of 37 CFR 1.378(c).

The maintenance fee is hereby accepted and the above-identified patent is reinstated as of the mail date of this decision.

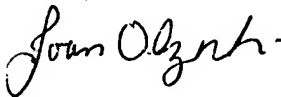

It is not apparent whether the statement of unintentional delay was signed by a person who would have been in a position of knowing that the delay in filing a timely response was unintentional. Nevertheless, in accordance with 37 CFR 10.18, the statement is accepted as constituting a certification of unintentional delay. However, in the event that petitioner has no knowledge that the delay in paying the maintenance fee was in fact unintentional, petitioner must make such an inquiry to ascertain that, in fact the delay was unintentional. If petitioner discovers that the delay in paying the maintenance fee was intentional, petitioner must so notify the Office.

Further, it is not apparent whether the person signing the instant petition was ever given a power of attorney or authorization of agent in the above-identified patent. In accordance with 37 CFR 1.34(a), the signature appearing on the petition shall constitute a representation to the United States Patent and Trademark Office that he/she is authorized to represent the particular party in whose behalf he/she acts.

Additionally, the file indicates a change of address has been submitted and accepted, although the address given on the petition differs from the address of record. Patentee should note that the change of correspondence address does not affect the fee address. Therefore, if patentee desires to receive future correspondence, which **may** be mailed regarding maintenance fees for the above-identified patent, the "fee address" and/or "customer number" forms should be submitted.

A courtesy copy of this decision is being mailed to the address given on the petition; however, the Office will mail all future correspondence solely to the address of record.

Telephone inquiries concerning this decision should be directed to the undersigned at (571) 272-7751.
